- The U.S.A., once a Protestant nation, has become the **False Prophet** of Bible prophecy and accomplice to the Papacy; The U.S. empowers the papacy as the "daily" [paganism] had once empowered the Papacy in former eras with military and civil might

## (A') An Increase of Knowledge

- Students of Bible prophecy recognized the significance of the fall of the former U.S.S.R. and the U.S.'s role as accomplice, mimicking the role of the "daily".
- The SDA Church's Biblical Research Institute that rejects the "daily" as paganism, resists this correlation and saw no significance in the year 1989 beyond a historic event for the modern era
- As men sought to rebuild the temple of the Lord left in disrepair by leadership apostasy, the **1843 and 1850 Prophecy Charts** and their significance as the "Old Paths" [Foundations] of Adventism are found/understood (2 Kings 22:1-8; Jeremiah 6:16; Isaiah 58:12; Proverbs 4:18); as well as a knowledge of the **Reform Lines** of Bible Prophecy, made known through Pioneer's methods of Bible study.
